COLLEGE MISSION

Black River Technical College is an institution of higher learning committed to a partnership with the individual and the global community to provide lifelong learning experiences, seeking always to empower those it services to achieve their vocational and personal development goals.

Child Care Orientation Training (CCOT)

10 Hour Training = 1 CEU

Goal: To provide participants with the knowledge and skills necessary to provide quality care for children while establishing and maintaining a positive relationship with families and other staff members.

**If you are interested in attending BRTC's CDA credit classes and plan to apply for a scholarship; you are required to complete this free course.*

Pre-K Social-Emotional Learning (Pre K SEL)

45 Hour Training = 4.5 CEUs

Goal: To strengthen the capacity of pre-school programs & to improve the social and emotional outcomes of young children.

Pre-K Early Literacy (Pre K Ella)

30 Hour Training = 3 CEUs

Goal: To provide participants with the knowledge and skills to implement developmentally appropriate experiences that promote emergent literacy skills for children prior to their entry into kindergarten.

Pre-K Framework

30 Hour Training = 3 CEUs

Goal: Designed to train participants in the use of the *AECE Framework Handbook*. This training combines basic information, application, activities and resources.

Index (New)

30 Hour Training = 3 CEUs

Goal: Designed to provide teachers of 3-5 year-olds with an interactive learning experience focused on how young children learn, math and science concepts appropriate for young children, and the application of math and science concepts through in-depth studies of interesting topics.

Pediatric 1st Aid / CPR

8 Hour Training = .8 CEUs

There is a fee for this course which includes a student workbook and certification card (upon completion). Call for more information or to set up training.
